The most technologically advanced wrenches available for use on brake, A/C, fuel, and power steering lines.

- As more pressure is applied to the wrench, the grip on the nut tightens
- Durable construction; made from hardened, tempered Chrome Vanadium steel
- Backed by a Lifetime Warranty
- Individual wrenches available for order
Metric: LW0809, LW1011, LW1213, LW1415, LW1617, LW1819
Standard: LW51638, LW71612, LW91658, LW111634

**GROUND BREAKING
NEW TECHNOLOGY**

Works Great For Suspension Applications As Well!

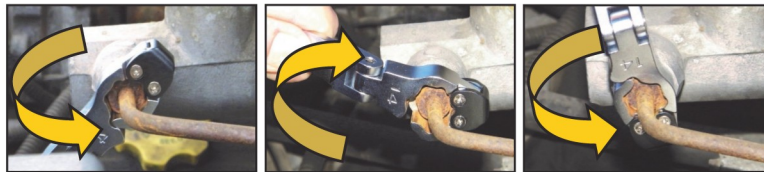

TRIPLE THE GRIP
Grips the entire nut (not just the points)

Wrenching Made Simple

QUICK RATCHETING ACTION

Patented ratcheting system for fast tightening and loosening

Get A Perfect Grip Without The Slip

SECURE GRIP

Works great on rounded, worn, and rusted nuts

AUTO-CLOSE DESIGN

Automatically closes wrench head around the entire nut

90° FLEX HEAD
